- Family: one or two adults and children with the same fixed address.
- Teen: born between Oct 1, 1988 and Sept 30, 1994 (medicare card required as proof). Teens do not pay initiation fees unless they are new members.
- Senior : 60 or over after Jan 1, 2007

b) Membership Identification and Guest Passes:

We are continuing with the system that was started last year. Instead of having ID cards, we have a Membership Book which will identify you as a member by the photos you provide us when you register. Gate guards will be on duty to verify memberships.

All members are allotted a number of guest passes, which are listed in the Membership Book at the gate. Each guest pass allows one guest to use Heights pool for one day. The number of guest passes varies according to the type of membership, as follows:

- 1) Family membership – 8 guest passes
- 2) Couple membership – 4 guest passes
- 3) Single and Teen membership – 2 guest passes.

After all your guest passes have been used up, your guests must pay (5\$ for residents of the Island of Montreal, 3\$ for off-Island). Please note that whether your guests are using passes or paying, they must be accompanied by a member in all cases.

Your regular babysitter may accompany your children, but can not come to the pool alone if not a member.
